

Character Qualities the **TOOLS FOR LIFE**

GIVE PEOPLE THE TOOLS THEY NEED TO BUILD THE LIFE THEY WANT!

TOOLS FOR LIFE is a *comprehensive character education curriculum designed* to empower educators, teachers, parents, treatment facilitators and clinicians with the tools they need to help people become *master craftsman* level life-builders.

TOOLS FOR LIFE uses the concrete visual of building a dream house for conceptualizing building your dream life and gives you the tools you need in do it! Regardless of personal goals and dreams, a house still has to meet fundamental criteria, and so does our life!

1. **It has to be strong** to stand the test of time and keep people safe from the weather and outside elements.
2. **It has to be functional** to provide basic access to the things we need to live
3. **It needs be beautiful** to inspire growth

TOOLS FOR LIFE provides the right tools in the form of **character qualities** to help each builder create a life that is **strong** enough to withstand the difficulties of life, **functional** enough to meet basic needs, and expresses **beauty** for inspiring growth and development.

Master Builders **Skip** and **Sylvia** introduce the learner to each tool and demonstrate how they are used. Perfect for every age and stage, including adults!

Thor is a relatable and reluctant learner. He is currently learning about how to “**PUT DOWN YOUR WEAPONS, AND PICK UP YOUR TOOLS!**”

TOOLS FOR LIFE

DISTINCTIVES

Chronological- The tools and skills build on **each other** matching developmental benchmarks and allowing participants to measure growth

Comprehensive- Learning and growth through a diversified

experience. Integrates instruction, activities, and skill building practice with each lesson. Introduces a historical figure for each tool as a role model for using the tool for example, Rosa Parks with Self Respect and Thomas Edison with perseverance.

Captivating- **Multi Sensory**. Fully contained kit including props, visuals and authentic tools make this motivating to learn along with mentors and master builders Skip and Sylvia and relatable learner, Thor.
